## A BILL

To authorize appropriations to the Secretary of the Interior for the restoration of the Angel Island Immigration Station in the State of California.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Angel Island Immigra-  
5       tion Station Restoration and Preservation Act”.

6       **SEC. 2. FINDINGS.**

7       The Congress makes the following findings:

1           (1) The Angel Island Immigration Station, also  
2           known as the Ellis Island of the West, is a National  
3           Historic Landmark.

4           (2) Between 1910 and 1940, the Angel Island  
5           Immigration Station processed more than 1,000,000  
6           immigrants and emigrants from around the world.

7           (3) The Angel Island Immigration Station con-  
8           tributes greatly to our understanding of our Na-  
9           tion's rich and complex immigration history.

10          (4) The Angel Island Immigration Station was  
11          built to enforce the Chinese Exclusion Act of 1882  
12          and subsequent immigration laws, which unfairly  
13          and severely restricted Asian immigration.

14          (5) During their detention at the Angel Island  
15          Immigration Station, Chinese detainees carved  
16          poems into the walls of the detention barracks. More  
17          than 140 poems remain today, representing the  
18          unique voices of immigrants awaiting entry to this  
19          country.

20          (6) More than 50,000 people, including 30,000  
21          schoolchildren, visit the Angel Island Immigration  
22          Station annually to learn more about the experience  
23          of immigrants who have traveled to our shores.

24          (7) The restoration of the Angel Island Immi-  
25          gration Station and the preservation of the writings

1 and drawings at the Angel Island Immigration Sta-  
2 tion will ensure that future generations also have the  
3 benefit of experiencing and appreciating this great  
4 symbol of the perseverance of the immigrant spirit,  
5 and of the diversity of this great Nation.
